

LITTLE DISCIPLES Christmas Countdown

8: The Gift of Wisdom

Bible Verse

"I will give you a wise and discerning heart" 1 Kings 3: 12b

Main Bible Character: Solomon

What is wisdom?

Wisdom is knowing the difference between what is right and what is wrong.

Lesson

Christmas will be here next month. If you could choose anything in the whole universe, what would you choose?

When Solomon became King of Israel, he had a dream. In the dream, God asked Solomon to choose anything he wanted. Solomon asked God to help him to be wise. He wanted to learn how to lead God's people and to help them decide what was right. Because he asked to learn right from wrong, God gave him more. He made Solomon extremely rich as well as being honoured by everyone.

Personal Application

Christmas Connection:

There is something that we need even more than knowing right from wrong at Christmas. We need Jesus.

Prayer (Child repeats line)

Dear Lord, please help me to learn the difference between what is wrong and what is right.
